

## VETERANS OUTREACH CENTER

The Veterans Outreach Center provides comprehensive resources to current and former members of the U.S. Armed Forces and their families through direct service, community collaboration, and advocacy. Founded locally in 1973 by returning Vietnam veterans, today's Veterans Outreach Center remains anchored in our community and offers a comprehensive portfolio of supportive services designed to meet the needs of veterans and their families. Through the generosity of our community, all of these programs and services are provided free of charge.

Veteran homelessness has faced America for decades. Meeting the basic needs of shelter is critical for any human being to reach their fullest potential. In 2016, Veteran Outreach Center's Residential Community was able to house 78 vets in emergency shelter, transitional, supportive and independent living. Their facilities accommodate up to 28 residents at a time in a safe homelike environment, where they receive vital mental health services and addiction treatment as first steps toward making positive, long-term lifestyle changes.

The Monroe County Sheriff PBA was incorporated in 1998 as the bargaining unit for the Monroe County Sheriff's Road Patrol. The primary goal is to improve the working conditions, wages, and benefits of the approximately 240 road patrol deputies. The Monroe County Sheriff PBA also promotes charitable participation among its members to give back to the community that its members serve. One of the many charity events is the MCSPPA Golf tournament. This event has been around since 1999 and sponsors a different charity annually. This event allows the members of the Sheriff's office to be able to interact with different charity organizations in the Monroe County area and promote a positive cooperation with the community.

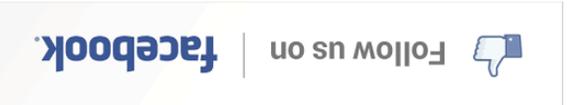

Monroe County Sheriff PBA is excited to announce that this years charity is the Veterans Outreach Center. This years goal is to raise \$7,000 for their residential housing program. Money raised will go towards purchasing items needed/ improvements. Please help us in supporting such a great cause!
