Dear Friend of Law Enforcement,

The Monroe County Sheriff Police Benevolent Association Inc. is the union that represents the Monroe County Sheriff Road Patrol. We are the hard working men and women that respond to your calls of service at your home or business. I think you will agree that whether we are responding to a routine call or a life or death situation, when you call the Monroe County Sheriff's Office you always receive a dedicated and professional law enforcement officer.

The purpose of this letter is to introduce you to our 2013 Annual Fundraiser. This mailing is the only request you'll receive from our organization. We will not call by phone or collect door to door. We believe this is our least intrusive way to solicit money.

The Monroe County Sheriff PBA Inc. is a very generous and civic minded organization. We contribute to several charities both local and national. A list is available by writing to the address below. We also provide financial assistance to families of law enforcement that were touched by tragedy. We need your help to continue this tradition.

Your donation in any amount will go directly to the Monroe County Sheriff Police Benevolent Association. We are a charitable organization registered with New York State and your non-tax deductible donation will enable us to continue our fine tradition. The money collected from this fund drive will be used for charitable donations as well as education, training, protection and improvement in our collective bargaining agreement and other initiatives as they are developed.

Thank you for taking the time to read this letter. I have tremendous faith in this community we serve and I am confident that you will come through for us. Take care, be safe and God Bless.

Sincerely,

Steven P. Michaels, President
